

## ACCESSORY DATA SHEET

## LIGHT STOP ANGLE

- Ideal for areas that require extra light blocking edge protection, but where side channels are not a feasible option.
- Can be installed along the side or bottom of any shade with any Hembar, and allows the shade to operate without the worry of it becoming dislodged from a channel. A perfect solution for guest rooms and hospitality applications.
- Content: Aluminum Alloy
- Can be cut to size or shipped in full-length pieces.
- Standard available length is 18' (216")
- Available in two colors.

Part Numbers:

LS12-10 (White)

LS12-20 (Silver)
